Introduction:
Khubeib College Skardu is yet another achievement in the realm of education. Educational activities started on May 2009. The college building is the biggest (in terms of area) in the city of Skardu, covering the area of 80 kanals. College imparts education upto Matric level and is affiliated with Federal Board of Intermediate and Secondary Education (BISE) Islamabad. Our primary aim at Khubeib College Skardu is to provide a learning environment dedicated to quality education with three pronged strategy: academic, spiritual and physical. We believe that a truly educated person should achieve a significant depth of understanding in relevant academic discipline, and we encourage our students to become more than just narrow specialists. We produce an educated person in the world of ideas, who values learning for its own sake.

Khubeib College Skardu Campus Facilities:
Learning Environment:
The College campus is located in a two storied building that houses the academic set up for the middle and senior classes as well as administration offices. Principal office, main modern computer laboratory, three science laboratories, one library and spacious classrooms are the part of the campus.

Masjid:
Beautiful and big mosque is part of the campus, where students offer their prayers regularly. Nazra Quran is also taught by a Qari.
Play Ground:
There are well maintained playgrounds in the College premises to hold cricket, hockey, football, volleyball and basketball matches. The college also provides free of cost sports equipments to its students for interschool sports for almost all games.

Computer Laboratory:
The college has a well-equipped computer laboratory where the students are trained as part of their academic and co-curricular activities.

Science Laboratories:
The college has three large and airy laboratories for physics, chemistry and biology that are equipped with latest apparatus and enough stock of chemicals, charts and models.

Auditorium:
A wonderful and very spacious auditorium with 1000 seating capacity is available in the college campus.

Transport Facility:
The college provides transportation facilities on need basis.

Library:
College has a state-of-the-art Library located in the campus on wide ranging topics. It has literature of different languages, Science, Religion, Sports, Classics, Travelogues, Sports, Biographies and so on. Focus is maintained to nourish the minds of students with the intellect and knowledge.

Canteen Facility:
College provides canteen facilities to students with different range of food items in accordance with the health policy prescribed for the school.

Curricular and Non-Curricular Activities:
College regularly holds academic and non academic activities, according to Annual Calendar to emancipate the abilities of students. Quiz competitions, Debating competitions, Drama festivals, Qirat Competitions and likes.
Students Societies and Clubs:
There are different student societies and clubs in the school that help develop creative and enjoyable environment by arranging different co-curricular and extracurricular activities.

Educational/Recreational Tours:
Special attention is paid to the personality building of the students through recreation and mental relaxation.

Annual Games:
Annual games competition is an annual feature which includes athletics to harness the healthy competition along with physical capabilities. Winners are provided with certificates and trophies.

Annual Functions:
Annual function is arranged to celebrate the achievements of students in previous year, which provides them with a sense of recognition. Parents are invited to witness the proceedings and encourage the students along with teachers and Principal.
