Introduction:
Khubaib School Hamza-Wala is an educational institution established in January 2013 for orphan children. Our primary aim is to provide a learning environment dedicated to quality education with three pronged strategy; academic, spiritual and physical. The project was planned on 4 kanals of land. The institute imparts education up to middle level. Its basic aim is to provide quality social education to the children of Pakistan. Khubaib Foundation educational system is amongst the most prominent social educational system in Pakistan.

Khubaib College Hamza-Wala Campus Facilities:
Learning Environment:
It has a large newly constructed building that has the academic set up for the middle classes as well as administration offices. It has a principal office, spacious classrooms and a computer laboratory.

Hostel Facility:
A two storied building has been constructed, accommodating boarder students. In addition to the academics these boarder students are trained to lead a disciplined life.

Mess Facility:
Mess is located within the premises of the hostel where healthy and hygienically prepared food is served.
Masjid:
A very beautiful masjid provides place for prayers to the students and staff.

Play Ground:
The school has playground to hold different outdoor games. The school provides free of cost sports gear to its students for interschool sports for almost all games.

Curricular and Non-Curricular Activities:
School regularly hold academic and non academic activities, according to Annual Calendar to emancipate the abilities of students. Quiz competitions, Debating competitions, Karate Championship, Drama festivals, Qirat Competitions and likes.

Educational/Recreational Tours:
Special attention is paid to the personality building of the students through recreation and mental relaxation.

Skill Development:
Different forms of workshops and training days are held to build the skills of students they are naturally inclined towards. Art and creative activities are arranged alongwith environment awareness campaign to encourage student building up their skills and awareness.
